

Over the last 2 years, LiveTree has established a successful business in film, TV & content. With 20% revenue growth month on month, we are now set to launch the next generation of the platform - LiveTree ADEPT. LiveTree ADEPT is supported by a digital token - Seed. Seed provides access to the \$500bn industry through creation & funding, Incubators & a game-changing distribution channel - Blossom. Join our community & participate in the Seed token sale.
